RESPONDENT'S PROFFER ON AWARD OF COMPENSATION

I. Items of Compensation

A. Life Care Items

The respondent engaged life care planner, Laura Fox, MSN, BSN, RN, CDDN, CLCP, and petitioners engaged Bala Care Nursing Solutions, to provide an estimation of CK's future vaccine-injury related needs. For the purposes of this proffer, the term "vaccine related" is as described in the Special Master's Ruling on Entitlement, filed December 12, 2017. All items of compensation identified in the life care plan are supported by the evidence, and are illustrated by the chart entitled Appendix A: Items of Compensation for CK, attached hereto as Tab A.¹

¹ The chart at Tab A illustrates the annual benefits provided by the life care plan. The annual benefit years run from the date of judgment up to the first anniversary of the date of judgment, and every year thereafter up to the anniversary of the date of judgment.

Respondent proffers that CK should be awarded all items of compensation set forth in the life care plan and illustrated by the chart attached at Tab A.² Petitioners agree.

B. Lost Future Earnings

The parties agree that based upon the evidence of record, CK will not be gainfully employed in the future. Therefore, respondent proffers that CK should be awarded lost future earnings as provided under the Vaccine Act, 42 U.S.C. § 300aa-15(a)(3)(B). Respondent proffers that the appropriate award for CK's lost future earnings is \$882,020.68. Petitioners agree.

C. Pain and Suffering

Respondent proffers that CK should be awarded \$250,000.00 in actual pain and suffering. See 42 U.S.C. § 300aa-15(a)(4). Petitioners agree.

D. Past Unreimbursable Expenses

Evidence supplied by petitioners document their expenditure of past unreimbursable expenses related to CK's vaccine-related injury. Respondent proffers that petitioners should be awarded past unreimbursable expenses in the amount of \$12,698.57. Petitioners agree.

E. Medicaid Lien

Respondent proffers that CK should be awarded funds to satisfy a Commonwealth of Massachusetts lien in the amount of \$15,528.38, which represents full satisfaction of any right of subrogation, assignment, claim, lien, or cause of action the Commonwealth of Massachusetts

² The parties have no objection to the proffered award of damages. Assuming the Special Master issues a damages decision in conformity with this proffer, the parties intend to waive their right to seek review of such damages decision, recognizing that respondent reserves his right, pursuant to 42 U.S.C. § 300aa-12(f), to seek review of the Special Master's December 12, 2017, decision finding CK entitled to an award under the Vaccine Act. This right accrues following entry of judgment.

may have against any individual as a result of any Medicaid payments the Commonwealth of Massachusetts has made to or on behalf of CK from the date of her eligibility for benefits through the date of judgment in this case as a result of her vaccine-related injury suffered on or about October 2, 2012, under Title XIX of the Social Security Act.

II. Form of the Award

The parties recommend that the compensation provided to CK should be made through a combination of lump sum payments and future annuity payments as described below, and request that the Special Master's decision and the Court's judgment award the following:³

A. A lump sum payment of \$1,046,521.75, representing trust seed funds consisting of the present year cost of compensation for residential facility expenses in Compensation Year 2077 through Compensation Year 2081 (\$939,875.00) and life care expenses in the first year after judgment (\$106,646.75), in the form of a check payable to Regions Bank, as Trustee of the Grantor Reversionary Trust established for the benefit of CK, as set forth in Appendix A: Items of Compensation for CK;

B. A lump sum payment of \$1,132,020.68, representing compensation for lost future earnings (\$882,020.68) and pain and suffering (\$250,000.00), in the form of a check payable to petitioners as guardian(s)/conservator(s) of CK, for the benefit of CK. No payments shall be made until petitioners provide respondent with documentation establishing that they have been appointed as the guardian(s)/conservator(s) of CK's estate. If petitioners are not authorized by a

court of competent jurisdiction to serve as guardian(s)/conservator(s) of the estate of CK, any such payment shall be made to the party or parties appointed by a court of competent jurisdiction to serve as guardian(s)/conservator(s) of the estate of CK upon submission of written documentation of such appointment to the Secretary.

C. A lump sum payment of \$12,698.57, representing compensation for past unreimbursable expenses, in the form of a check payable to petitioners, Maryellen Kottenstette and Nicholas Kottenstette.

D. A lump sum payment of \$15,528.38 representing compensation for satisfaction of the Commonwealth of Massachusetts Medicaid lien, payable jointly to petitioners and

Petitioners agree to endorse this payment to the Commonwealth of Massachusetts.

E. An amount sufficient to purchase the annuity contract,⁴ subject to the conditions described below, that will provide payments for the life care items contained in the life care plan, as illustrated by the chart at Tab A attached hereto, paid to the life insurance company⁵ from

⁴ In respondent's discretion, respondent may purchase one or more annuity contracts from one or more life insurance companies.

⁵ The Life Insurance Company must have a minimum of \$250,000,000 capital and surplus, exclusive of any mandatory security valuation reserve. The Life Insurance Company must have one of the following ratings from two of the following rating organizations:

- a. CK Best Company: A++, A+, A+g, A+p, A+r, or A+s;
- b. Moody's Investor Service Claims Paying Rating: Aa3, Aa2, Aa1, or Aaa;

which the annuity will be purchased.⁶ Compensation for Year Two (beginning on the first anniversary of the date of judgment) and all subsequent years shall be provided through respondent's purchase of an annuity, which annuity shall make payments directly to the trustee only so long as CK is alive at the time a particular payment is due. At the Secretary's sole discretion, the periodic payments may be provided to the trustee in monthly, quarterly, annual or other installments. The "annual amounts" set forth in the chart at Tab A describe only the total yearly sum to be paid to the trustee and do not require that the payment be made in one annual installment.

1. Growth Rate

Respondent proffers that a four percent (4%) growth rate should be applied to all non-medical life care items, and a five percent (5%) growth rate should be applied to all medical life care items. Thus, the benefits illustrated in the chart at Tab A that are to be paid through annuity payments should grow as follows: four percent (4%) compounded annually from the date of judgment for non-medical items, and five percent (5%) compounded annually from the date of judgment for medical items. Petitioners agree.

- c. Standard and Poor's Corporation Insurer Claims-Paying Ability Rating: AA-, AA, AA+, or AAA;
- d. Fitch Credit Rating Company, Insurance Company Claims Paying Ability Rating: AA-, AA, AA+, or AAA.

⁶ Petitioners authorize the disclosure of certain documents filed by the petitioners in this case consistent with the Privacy Act and the routine uses described in the National Vaccine Injury Compensation Program System of Records, No. 09-15-0056.

2. Life-Contingent Annuity

The trustee will continue to receive the annuity payments from the Life Insurance Company only so long as CK is alive at the time that a particular payment is due. Written notice shall be provided to the trustee and the Secretary of Health and Human Services and the Life Insurance Company within twenty (20) days of CK's death.

3. Guardianship

No payments shall be made until petitioners provide respondent with documentation establishing that they have been appointed as the guardian(s)/conservator(s) of CK's estate. If petitioners are not authorized by a court of competent jurisdiction to serve as guardian(s)/conservator(s) of the estate of CK, any such payment shall be made to the party or parties appointed by a court of competent jurisdiction to serve as guardian(s)/conservator(s) of the estate of CK upon submission of written documentation of such appointment to the Secretary.
